16) The Deputy Commissioner reported that the Sagar Municipality has stated that the collection of the above Cart tax has not been sufficient to enhance the above rate from Rs 65/- to Rs 75/- p.m. in view of the abnormal rise in the price of food grains. The Hon'ble, at the

Flag "M"

Flag "N" meeting held on 30.9.46, passed a resolution to the effect that the hire may be enhanced to Rs 75/- per cart p.m. The Municipal President is reported to have paid the hire at the enhanced rate in anticipation of sanction of Govt. and it is stated that the extra cost would be met out of the closing balance of the Municipality for the year 1946-47. This enhanced is said to have been paid from 1st March

17) The D.C. thereafter recommends sanction for the above reduction & rectification of his action by the ~~Secretariat~~ Board in having allowed the excess rate of hire for three carts for 1st October 1946 to 31st March 1947 — i.e. during 1946-47 when once the rate of Rs 75/- was accepted as a basis for sanction, it was taught that the Respondents should have taken an agreement from the Contractors fixing the rate at Rs 65/- per cart per mensem but they would not have agreed for Rs 75/- per cart in the middle of the same year. The omission to take a proper agreement from the Contractor has resulted in this expenditure of Rs 7,875 during the year

18) In the facts stated, the D.C's recommendation as at A above may be accepted
